Exploit AWS vulnerability

Let's set this S3 bucket open for good measure... Reveal target cluster. If it's an AWS cluster, destroy it.

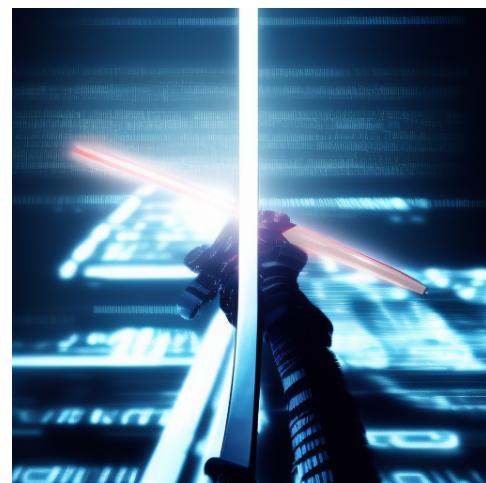

Exploit AWS vulnerability

Let's set this S3 bucket open for good measure... Reveal target cluster. If it's an AWS cluster, destroy it.

Exploit Azure vulnerability

Just reuse the same password for AD FS, it's temporary anyway... Reveal target cluster. If it's an Azure cluster, destroy it.

Exploit Azure vulnerability

Just reuse the same password for AD FS, it's temporary anyway... Reveal target cluster. If it's an Azure cluster, destroy it.
